LINC
Your Best Next Move

WELCOME TO THE LEHIGH VALLEY!

From the start **LINC** professionally and confidentially helps you to:

- Navigate your new life
- Allow you to focus on the new job
- Really enjoy your new start

LINC is ideal for seeking solutions and resources to the everyday questions you may have in building your community as you relocate.

An initial consult does not imply a commitment, it simply helps to explore options, offer an alternative perspective and provide insight to the full services that would be available to you in your new position.

Pre-hire consult

This is a confidential conversation between you and a **LINC** representative. As a neutral party, we answer questions important to making an informed decision about moving to the Valley. Some discussions may include children's resources, medical conditions, elder care challenges, and other private concerns where specific resources may be required.

Be a part of your new community

Whether you are moving from another state or another country, **LINC** provides the assistance you need to help you transition into a new working and living environment. In addition to serving as an ongoing resource, **LINC** will share invitations to events and send notices about volunteer and other social opportunities. **LINC** also serves as a safety zone answering questions as you adapt in your new community, customs and traditions. We work to support you and your family as you work and live in the Lehigh Valley region helping you transition in your new community as quickly as possible.
